Meet the Artist for the Downtown Parking Structure Public Art Project

GLENDALÉ, Ariz. – An open house is being held from 5-6:30 p.m. on Wednesday, May 21 for Chicago artist Lynn Basa, who was selected for Glendale's Downtown Parking Structure Public Art Project. The event will be held in The Bead Room at the Glendale Civic Center Annex, 5750 W. Glenn Dr.

Basa will present design concepts based on input gathered from the last open house in October 2007. Her work is included in the collections of hospitals, corporate headquarters and in numerous private residences. A recent public art commission includes the design of a 6,300 square foot terrazzo floor for the new Indianapolis Airport, scheduled to open later this year.

Fiber has been her primary medium, but she also works in mosaic, terrazzo, stone, steel and glass, depending on the dictates of each project.

For information, please call 623-930-3526 or 623-930-3520.
